

Breakfast In Bed

*Design By
April Johnson*

Delectable Breakfast in Bed Baskets are sure to make the recipient feel like Queen for the Day!

Depending upon their favorite gourmet delights, it's easy to design a gift that captures that special theme of "You're # One in My Book!"

Take a look at the design at the left by April Johnson – and the one on the next page by LeAnn McGuinness!

The lovely (reusable) tray from Longhorn Imports has filled two distinct themes! April's design is a sunny "Good Morning" Breakfast Theme, while LeAnn's design features a Valentine's Day Surprise, with fresh strawberries and champagne!
